

Summer Camp 2010

CAMP LONE STAR

Lutheran Outdoors Ministry of Texas

"Camp Lone Star is a unique experience, and like nothing I've ever been through before. Not only have I strengthened and repaired my relationship with God, but I've made new friends and have grown as a person."

"I just wanted to write and let you know that, once again, my daughter has left Camp Lone Star a better person. She made wonderful friends, had a great mentor experience with her camp counselor Christi, and was shown God's grace over and over. Thank you for taking such great care of her physically and spiritually."

"The witness of the staff and counselors encourage me to do everything I can to enable the special ministry of Camp Lone Star. There are several youth at our church who have been participants of the camp and are very verbal in declaring that the camp ministry has had a lot of positive impact on growing their faith."
